CARTE POSTALE.

By Appointment.

Trafalgar Square. This is one of the finest open spaces in London, and commemorates our immortal hero Nelson, "the mighty sailor, tender and true." In the middle of the Square on a granite column (145 feet high) stands Nelson's statue, erected in 1843, and the four faces of the pedestal bear bronze reliefs cast from the metal of captured French guns. Four bronze lions, modelled by Landseer, crouch below the statue.
